

# How to sweep up your pesky “Dust Bunnies”

Step 1: Locate those pesky dust bunnies in your home.

Step 2: Grab your broom and dust pan. (Perhaps in a closet or storage room.)

Step 3: Set your dust pan aside.

Step 4: Position your hands on the broom properly.

Step 5: Move your arms in a pendulum allowing the bristles of the broom to contact your floor.

Step 6: Overlap your strokes while moving radially in to move your dust bunnies into a pile.

\*Be gentle as the dust bunnies have a life of their own.

----If your bunnies hop away be sure to repeat Step 6.----

Step 7: once your dust bunnies are in a nice pile. Carefully sweep the bunnies into the dust pan.

Step 8: Dispose of your dust bunnies in the trash.

**COMPLETE!**
